Supporting Positive Behaviours: CHANCE -WARNING- ACTION

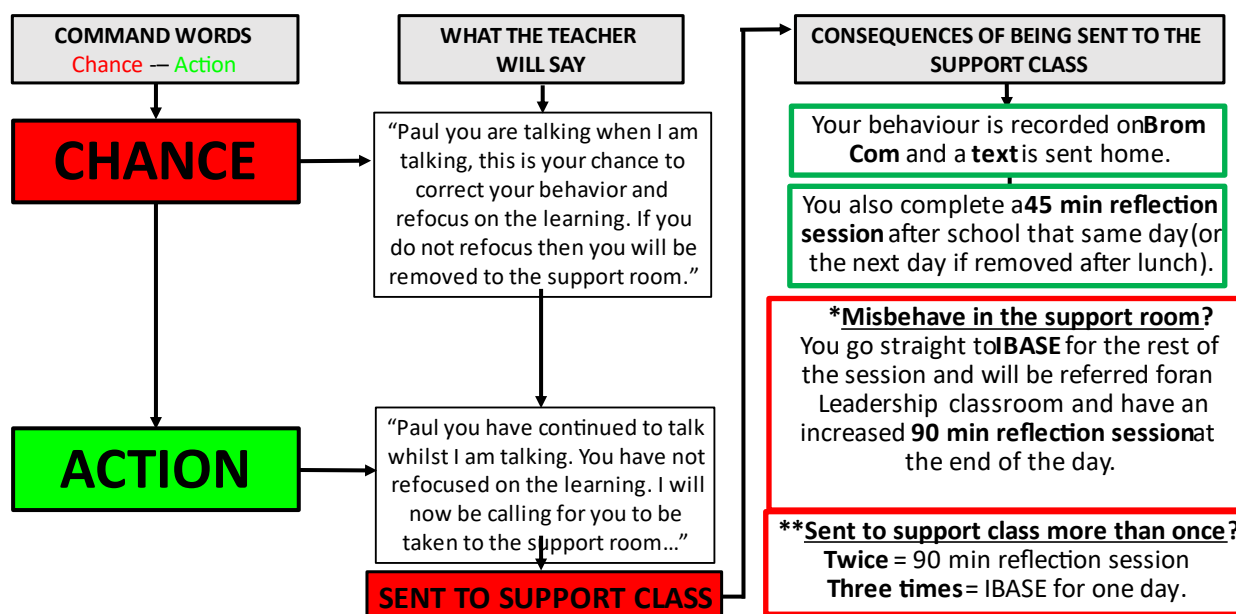

Within the classroom, the subject teacher is primarily responsible for supporting positive behaviour through a range of sanctions and interventions.

CHANCE conversation with students/de-escalation strategy/technique/ various classroom management strategies. Teacher makes clear the behaviour being displayed that is not focused on the learning and the student has an opportunity to rectify their behaviour and refocus before a sanction is applied.

ACTION then taken. Teacher makes clear the behaviour being displayed that is not focused on the learning.

The action is removal to the support room

WHAT HAPPENS IF YOU DISRUPT LEARNING IN A CLASS

Promoting Positive Behaviours

De-escalation Strategies

- do not overreact; address the problem calmly and confidently challenging low level behaviour in a way that does not interfere with the pace of the lesson
- make sure student understand the expectations and the actions that will be taken if they do not follow the expectations
- never talk loudly or be aggressive- repeat instructions

- never humiliate students or make personal comments
- listen to the students point of view
- clearly establish the facts
- apologise if you are wrong or have made a mistake
- always follow through with what you say you will do
- use non-verbal cues to remind students of agreed conduct
- use praise and rewards to motivate students

Dealing with confrontational and aggressive behaviour

- **remain calm and unemotional**
- **never lose control or appear to lose control**
- **never shout**

Physical contact with a student or restraint of a student should never take place when the purpose is to enforce discipline. Staff may only contact/restrain a student to prevent the student from:

- **injuring themselves or others**
- **causing damage to property**
- **committing a criminal offence**

The following are examples of actions which **MUST NOT** be used with a student. All are likely to escalate the situation and will undermine your authority.

- **Using your body, or putting out an arm to prevent a student from leaving the room**
- **physically pulling, pushing or moving a student in order to make a student obey an instruction**
- **physically removing a hat or other items a student refuses to hand them to you**
- **invading the personal space of a student**

When faced with a student who walks off or pushes past you:

- **remain calm**
- **let them go**
- **announce to other students that this will be followed up**
- **follow up using the correct procedures – the student will be sanctioned**

Off-task behaviour:

- **non-verbal cue**
- **quiet word with the student**
- **verbal reminder of the expected behaviour – CHANCE**
- **Explain how the expectation have not been met, they student has had a CHANCE and will now be ACTIONED accordingly**

Students who display adverse behaviours will be sanctioned used the Academy's behaviour systems.

Further Behaviour Expectations:

Behaviour outside the Academy

Students who breach the academy's Behaviour for Learning Policy whilst on academy visits, journeys, sports fixtures or a work experience placement will be dealt with in the same manner as if the incident had taken place within the academy.

Other factors will include if the student is wearing academy uniform or is in some other way identifiable as a student at the academy and whether the behaviours could adversely affect the reputation of the academy.

Students are expected to cross roads in a safe and disciplined manner and not use foul language as they are leaving the vicinity of the school.

Lunch and break time expectations

Students are expected to behave in a manner which respects themselves and others. This applies to their use of language, the way in which students act and behave and the manner in which they respond, all of which should demonstrate courtesy and consideration.

Lunch times are social interaction times therefore students are expected to behave appropriately. Food and drink can be consumed on the '**atrium**' and in the '**dining area**' however students must ensure they clear their tables before they leave the area and place all of their litter in the bins provided.

Students should queue for food in the dining area and at the food outlets in a calm and considerate manner.

Transition between lessons

Students are expected to move around the academy in an orderly fashion (keeping to the left) showing consideration towards others and respect for learning environment.

- Wearing full uniform correctly
- Walking purposefully without running
- Using 'indoor' voices
- No 'play-fighting'
- No disturbance to other lessons through windows or doors

Students should move around the building on the left. If it is necessary for a student to have to leave a lesson then they will have a note from their teacher.

Uniform and Equipment

SPL's and 360's will monitor the uniform and punctuality of students every morning at the front of the academy. Incorrect uniform will be challenged and unless students have an appropriate note from home they will receive a slip to attend a break-time detention in the main school hall. If a student fails to attend the detention, their names get transferred to the 45 minute reflection session at the end of that day. If they fail to attend this reflection session then they are placed in IBASE for one day. All information is recorded on the MIS.

Students have to wear their blazers around the academy at all times. Students may remove their blazer during lessons and place it on the back of their chair. Students can remove their blazers within the Academy in the Summer term.

Shirts must be tucked in at all times and their ties need to clearly show the two stripes. If a student has their shirt untucked they will receive a 45 minute reflection.

Students are required to carry a suitable school bag and can store books and equipment within these as well in their allocated locker.

Tutors must check equipment on a daily basis during tutor time.

PE Uniform

To maximise the amount of lesson time Academy have made the decision that all students in years 7-11 will come into school wearing their PE uniform on days they have PE. They will remain in PE uniform for the remainder of the school day. If students are to wear PE kit into school, then they **MUST** follow our PE uniform expectations.

The minimum PE uniform requirements are outlined below:

- Academy's branded sports polo top
- Academy $\frac{3}{4}$ Zip branded fleece **or**, Academy branded training
- Black sport shorts, or tracksuit bottoms
- Black lycra cycling shorts, these need to be appropriate for a school environment, short lycra shorts are not permitted
- Black leggings are acceptable for female students, although they must be appropriate for sport and not see through
- Trainers that are appropriate for physical activities - converse trainers are not advised; these are flat soled shoes and often cause blisters when used for exercise
- If students take part in Bristol Bear's initiatives, such as Project Rugby or Bright Sparks they are allowed to wear uniform earned through these schemes.
- Optional BTEC Sport Hoodies can be purchased in Year 10 and Year 11 for those students taking BTEC Sport
- In the event of Cold weather students are permitted to wear black lycra sometimes referred to as 'skins' under their PE uniform.
- Students can wear their blazers over their PE uniform
- Plain black jumpers can be worn over PE uniform, the same as those permitted to be worn under blazers

Small logos are permitted on shorts, tracksuit bottoms and leggings, however these should be minimal and subtle.

Jewellery

Jewellery is not permitted to be worn in PE lessons and will be strictly enforced.

Purchasing OAB PE Uniform

The PE uniform in addition to any of the Academy's uniform can be purchased from Famous School Branches, which is located next to Wilkinsons hardware store in Bedminster. PE uniform can also be ordered online at <https://www.monkhouse.com/c/4367/Oasis-Brislington-PE-Kit> (please note that this website and retailer are totally independent of the Academy).

Sanctions for not complying with our PE uniform expectations

Students are not permitted to wear their own non-Oasis hoodies or jumpers in the school building or in PE lessons. If students wear these items to the Academy, they will be asked to remove them upon entry to the Academy if they refuse, students will be refused entry to their PE lesson as they aren't following Academy expectations.

Student action	Sanction	Further action
Student comes to school in the wrong PE uniform on a PE day (non-oasis branded uniform). For example, student arrives in a grey Hoodrich tracksuit. *	Students will be sent to I-Base until OAB PE uniform is delivered to school site. Students have the option to borrow PE uniform from the PE Department.	If students refuse I-Base a parental meeting will be requested by the PE and Year Team.
*There may be occasions while PE uniform is on order that students may have to wear an alternative t-shirt. This should be plain black and accompanied with a note from home.		
Student wears correct Oasis PE uniform on a non-PE day.	Students will be sent to I-Base until OAB PE uniform is delivered to school site.	If students refuse I-Base a parental meeting will be requested by the PE and Year Team.
Student is in correct PE uniform but wearing hoodie/coat over the top.	360 Year Team manager will ask items to be taken off when entering the Academy. If the item is then worn in the building during the school day it will be confiscated by the Year team and returned at the end of the day.	

Lateness to lesson

Students are expected to arrive at the Academy and lessons on time.

If a student is late on 2 or more occasions in a one week period then they will receive a 45 minute reflection session.

Disengaged from learning- refusing to go to lessons

If a student presents as being 'disengaged' from their learning, they will be placed in ibase for the rest of the day and stay until 4.15pm. If they fail ibase, then they will be suspended from the Academy. If a student is booked into ibase for the day and then refuses to go into ibase, they will be suspended from the Academy.

30 Minute Lunch- time detention

if a student arrives after 9am they have to complete a lunchtime reflection on that day. Punctuality to the Academy is essential for maintaining an appropriate learning environment. This lunchtime reflection has also been added to our support room sanctions which are as follows: 1 x support call = lunchtime reflection 2 x support calls = 45 minute reflection 3 x support calls = 90 minute reflection 4 x support calls = ibase (internal exclusion room) 5 x support calls = Leadership Classrooms 6 x support calls = SAFE suspension

Additional rules to note

No **toilet breaks** are allowed during lessons unless a student has been issued with a toilet card or specific card linked to any reason as to why they can use the toilet during learning time. Please contact your child's 360 to request a toilet card, these requests will be considered on a case-by-case basis.

We encourage students to use the toilet at changeover of lessons and break and lunchtime.

No **water breaks** during lessons. Students are allowed to consume water in lessons however they do not have permission to leave lessons to obtain water.

Mobile phones or electronic devices are not allowed to be **seen, heard** or **used** anywhere on the school site- non-compliance means that the device is removed from the student and collected by a parent/carer.

Instrumental Lessons expectations at Oasis Academy Brislington

As part of the GCSE Music course, we are pleased to be able to offer instrumental lessons as a music performance intervention at no cost to students (these normally cost £30 per hour). This is a vital mandatory intervention to ensure that students are prepared for the performance element of the GCSE Music course: students choose their instrument when they start the GCSE course in Year 9, and are assigned an instrumental teacher. Learning to play an instrument / sing leads to completion of the performance component of the GCSE Music course (30% of the overall qualification).

The instrumental lessons last 20 minutes for Year 9 and 10 students, and 30 minutes for Year 11 students. These lessons take place each week during the school day, and are timetabled so that students attend at a different time each week – this ensures minimal impact on other curriculum lessons.

It is students' responsibility to check the timetables displayed in the Music Department to see when their lesson is. Sanctions for missed instrumental lessons are as follows:

- 2 lessons missed in a row without reason (e.g. medical absence) will result in students receiving a 45 minute reflection session;
- 3 lessons missed in a row without reason will result in a 90 minute reflection session and a phone call home from Miss E. Barnes;
- 4 lessons missed in any half term without reason, parents/carers will be invited into the academy for a meeting with Miss E. Barnes.

Instrumental teachers will keep a record of lessons attended, as students who attend all lessons in a half term will receive 500 BCPs.

Detentions and Reflection sessions

Parents and carers should be advised that in line with changes resulting from the Education Act 2011, Oasis Brislington is no longer required to give 24 hours' notice of longer length detentions. The academy will keep students during lunch for 10 minutes and after school for up to 45 minutes.

We also have 90 min reflections on a Monday, Wednesday and Friday

The lunch detentions will be held in the Yellow pod.

The reflection sessions are held in a central location- the ELZ.

If a student is required to attend a 45 minute then parents/carers will receive a text message. If they are removed from session 4 they will complete the reflection session the next day.

If a student fails a reflection session they will spend one day in Ibase.

If a students' behaviour during lunch times consistently cause the school a cause for concern we will isolate students for a period of time to allow them to consider how to modify their behaviours.

Inclusion Panel

Inclusion Panels are held each week

When a student is presenting a variety of needs, or there are significant barriers to learning and initial strategies are failing, the student will be raised with the panel.

Personalised interventions will be organised for the student and staff will be informed of the agreed strategies and progress that is made.

Ibase

Ibase is internal exclusion.

This is a serious sanction when student when students are isolated from their lessons for a period of 1 day or more. Students report to Ibase at 9am and leave at 4.15pm. Students complete work from their lessons that day in silence. They take break and lunch at separate times to the rest of the Academy. Failure to complete Ibase successfully means a student will be given one chance to repeat, if they fail again they will be receive a leadership classrooms.

If a student does not attend reflection sessions they will be placed in IBASE and be placed on a 2 week behaviour report.

Students can also be referred to IBASE by a Faculty Head, Subject Leader or SPL as a result of behaviour in lessons or around the school.

Leadership Classrooms

This is a serious sanction when a student will spend the day in assigned leadership team members classroom.

They will attend tutor and personal development session in ibase and then all their remaining learning time will be spent in the member of staff's classroom.

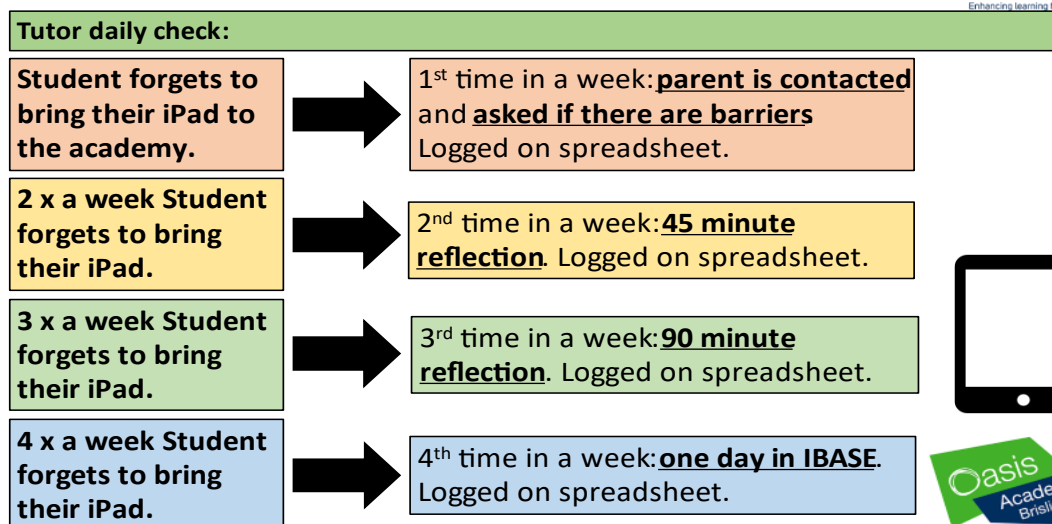

Students will complete their days learning via their ipad, staff will upload their lessons onto TEAMS.

The student will complete a 45 minute reflection at the end of the day.

Card system

Safeguarding is paramount in the Academy and it is at the forefront of everything we do. Due to increasing student numbers, the number of students with additional needs have also

increased. Previously we have had a 'leave lesson 5 minutes early' card to support students accessing the catering outlets. This has resulted in a larger number of students being out of lessons at changeover waiting for the outlets to open or wandering and this has presented a challenge due to ensuring they are being adequately supervised. All SEND students who previously had a '5 minute early card' will have this replaced with a 'collect food card/leave first card' for them to leave sessions 2 and 4 (before break and lunch) 3 minutes early to ensure they are first at the food outlets. For all the other lessons they will 'leave first' as the rest of the class pack away. This means they are not moving around the building with the rest of the student population. We understand that any change may be unsettling to some of our students with SEND and we hope that you will support us in explaining to the students that they are not losing their '5 minute early card' but it has had to be changed due to the volume of students that we now have who need this adaptation. A student who does not have SEND but who had a '5 minute leave early card', will now receive a 'leave first' card.

Inappropriate use of Social Media

Oasis Brislington considers the use of social media websites being used in this way as unacceptable and not in the best interests of the students or the whole school community. In the event that any student is found to be posting libellous or defamatory comments on Face book or other social network sites, they will be reported to the appropriate 'report abuse' section of the network site. All social network sites have clear rules about the content which can be posted on the site and they provide robust mechanisms to report contact or activity which breaches this. The school will also expect that any parent/carer or student removes such comments immediately. In serious cases the school will also consider its legal options to deal with any such misuse of social networking and other sites. Additionally, and perhaps more importantly is the issue of cyber bullying and the use by one student or a parent to publicly humiliate another by inappropriate social network entry.

The Right to Search Students

The Education Act 1996 (as amended by Education Act 2011) gives the Principal, and any member of the Academy staff authorised by the Principal, who has reasonable grounds for believing that a pupil may have with him/ her or in his/her possession an item prohibited under the legislation and school rules, the right to search that pupil. This includes knives/weapons, alcohol, illegal drugs, stolen items, tobacco and cigarette papers, fireworks, pornography, items which may be used to commit an offence and items banned in the school rules.

The Principal must ensure that the person carrying out the search is of the same sex as the pupil and the search must be carried out in the presence of another adult also the same sex as the pupil (if possible). The student cannot be required to remove any clothing other than outer clothing and if the student's possessions are searched this must also be done in the presence of another adult. The person carrying out the search is able to use such force as is reasonable in the circumstances for exercising that power.

Bullying Sanctions

Students who have bullied will be sanctioned appropriately according to the Academy's Behaviour policy- see below:

Exclusions/Suspensions

Fixed term external exclusions

Exclusion are an extremely serious sanction and should only be considered when all other sanctions have been exhausted, only the VP Culture can make a request to the Principal for an external exclusion. Only the Principal can agree an external exclusion or the Vice Principal in his absence.

Oasis Academy Brislington also implement **SAFe** internal exclusions for one day. These start at 9am and finish at 5pm.

All of the student's work will be uploaded to TEAMS for them to complete on the day, the student will not miss any of their curriculum time.

Oasis Academy Brislington will use exclusion (fixed term or permanent) only as a last resort. In discharging their duties, the Principal and Academy Council will work within the framework provided by Section 51A Education Act 2002 and the School Discipline Regulations 2012.

Exclusions may be for a fixed period or permanent.

The Decision to Exclude: a) Only the Principal can exclude a pupil, (or the person in charge on the day, if the Principal is absent from the Academy). b) Students should only be excluded: in cases of a serious breach or persistent breaches of the Academy's behaviour/discipline policy and if the continued presence of the excludee in the Academy would seriously damage the education or the welfare of the student or other students or staff.

- **Persistent disruptive behaviours**
- **Physical assault against an adult**
- **Physical assault against a student**
- **Sexual misconduct**
- **Deliberate vandalism**
- **Drug and alcohol related incidents**

- Disengagement from learning
- Using foul language against a member of staff
- Persistent bullying, harassment or abuse
- Bringing the academy into disrepute- SAFe
- Failure to comply with Academy expectations- SAFe

Before deciding to exclude a student the Principal will:

- Ensure that an appropriate investigation has been conducted;
- Ensure that all the relevant evidence has been considered;
- Give the student an opportunity to be heard; and
- Consult other relevant people if necessary.

Having considered these matters the Principal will make a decision based on the balance of probability, having regard to any current guidance from the DfE and the Equality Act duties.

The full details of the incident should be shared with the parent on the telephone and an exclusion letter sent home outlining the details of the exclusion and the time/date of the reintegration meeting which must be conducted with the parent/carers and student.

Where, despite structured reintegration, there are persistent breaches of the Academy's behaviour policy, support will escalate through five stages.

We reserve the right to repeat stages if required.
