

ACE (Additional Curriculum Entitlement) is our after School offer for every students at Oasis Academy Brislington.

Ace is an opportunity for every student to explore and take part in a variety of activities, which can be accessed during the week. The comprehensive programme enables students to try something new, something they might have always to do, or wondered what it would be like.

There is no need to wonder anymore. Challenge your mental capacity in Chess Club or Coding Club. Enjoy one of the many sports provided by the PE Team and other members of the Academy. Why not try something a bit different such as Origami Club. If you are more of a creative person, you can enjoy any of the clubs provided by the Music Department, or enjoy the Perfect Plate where you will explore a variety of cuisines.

For our Year 11 students we have a vast variety of intervention sessions available in which you can enhance your revision skills or deepen your knowledge.

Interested in our new ACE programme? Find the right club for you by indicating your favourite one(s) on the sheet, and hand it in to your tutor.
