

ACE (Additional Curriculum Entitlement) is our after school offer for every student at Oasis Academy Brislington.

ACE is an opportunity for every student to explore and take part in a variety of activities which can be accessed during the week. The comprehensive programme enables students to try something new, something they might have always wanted to do, or wondered what it would be like.

There is no need to wonder any more. Challenge your mental capacity in Chess Club. Enjoy one of the many sports activities provided by our PE team. Why not try something a bit different such as Darts club. If you are more of a creative person, you can enjoy Guitar Club, Choir or any of the other clubs on offer.

For our year 10 and 11 students we have a vast variety of intervention sessions available in which you can work on your coursework, enhance your revision skills or deepen your knowledge.

Interested in our new ACE programme? Find the right club for you by indicating your favourite one(s) on the sheet, and hand it in to your tutor.

Remember, complete the sheet, ask your parents to sign it and make sure their e-mail address is included where indicated.
