

At the end of the Health and Social Care Course all students should be motivated and have the opportunity to continue learning about the Health and Social Care sector at level 3 and/or have the option of entering the profession in future years.

Subject: Health and Social Care

Programme of study –Year 11

| Year 11 | Activities |
|---|---|
| <p>In Year 11 Students will be preparing for Component 3: Health and Wellbeing, This is component is an examination unit and students need to study the factors that affect health and wellbeing, learning about physiological and lifestyle indicators, and how to design a health and wellbeing improvement plan.</p> | <p>This external assessed (exam) component builds on knowledge, understanding and skills acquired and developed in Components 1 and 2. Students will be given a case study and will assess an individual's health and wellbeing, drawing on their understanding of life events from Component 1. They will design a health and wellbeing improvement plan that draws on their knowledge of services and care values from Component 2.</p> |

Health and Social Care Solutions

| The areas for development are: | Solution |
