

Programme of Study – History

How were people ruled? – Students will study how power has been distributed from pre-history to the modern day and evaluate change and continuity thereof.

How did people live? – Students will study how people lived in past societies and compare similarities and difference.

What did people believe? – Students will study the impact that religion has had on society from pre-history through to the modern day

How do we know about it? – Students will study the three themes above through the interrogation of complex source and interpretation work.

Year 10

Year	10					
Rationale/narrative	<p>The course that students will be following is the Edexcel GCSE specification. Alongside revising content from Year 9 from Medicine & Elizabeth, Year ten introduces the second half of Paper 2: The American West and the of Paper 3: Weimar & Nazi Germany. Both elements will teach source analysis and will introduce historian’s interpretations, in order to prepare students for each element of Paper 3. By the end of Year 10, students will have studied a British depth study (Elizabeth), a British study over time (Medicine), A worldwide study over time (American West) and a depth world study (Weimar & Nazi Germany). All content is interleaved to ensure students regularly return to content and each week students receive an exam skills lesson to support them in applying their prior learning.</p>
