

Programme of Study - German

Proficiency: Students gain a high degree of knowledge and skills and are evaluated in what they actually can do.

Resilience: Students develop the capacity to recover quickly from difficulties and highly demanding tasks.

Communication: Students are developing the skills of exchanging information by speaking and writing and are accessing authentic materials which develops them as well – rounded citizens who understand the wider world and are ready to discover their place in it.

Year	8 Stimmt 1 (1 year course)					
Rationale/ narrative	During this course students will be studying about “myself and my family”, “free time activities” including sports and food. They will be able to describe, where they live and can name other countries. Students would have mastered the present, future tense and perfect tense and are able to use the negative structure accurately as well as giving opinions and justifications. All topics studied during this course will be revisited in year 9, giving students a cyclical learning experience that will draw on the foundations set in year 8.
