

HUB COUNCIL QUESTIONNAIRE - RESULTS AT A GLANCE

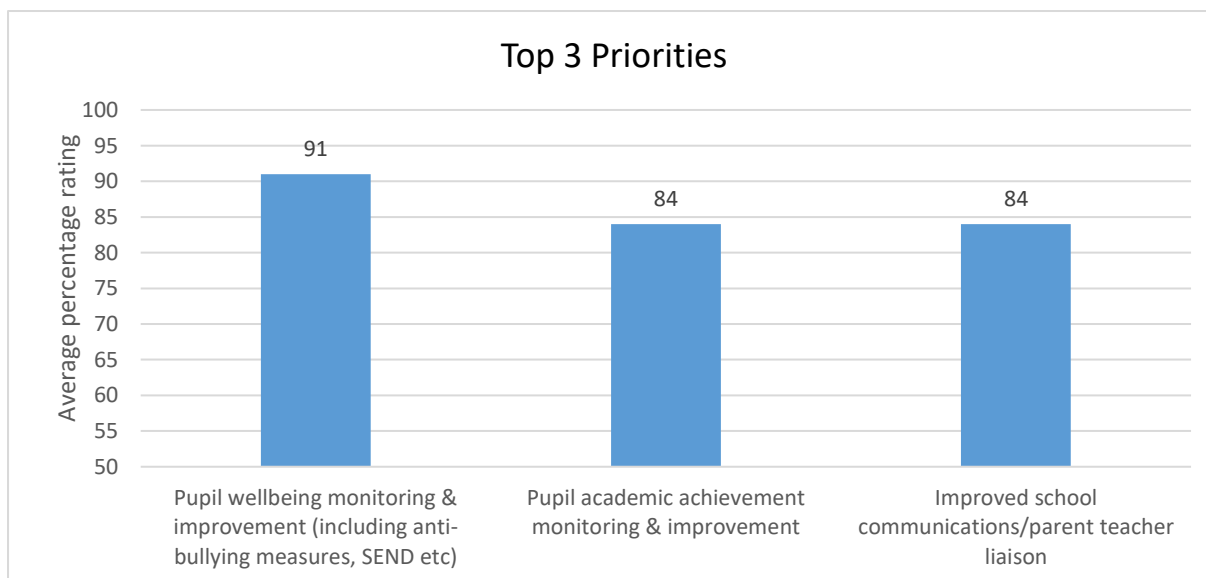

Thank you to those who completed the Hub Council Questionnaire designed to understand parents' priorities.

We received 235 responses which shows a fantastic level of engagement. The current members of the Hub Council, most of whom transferred from the Academy Council, are currently working to support the direction of the Hub Council ensuring that the things that are important to you are prioritised. We are currently working to support the development of a role to lead the new Hub Council and will provide more information about this before the end of the year.

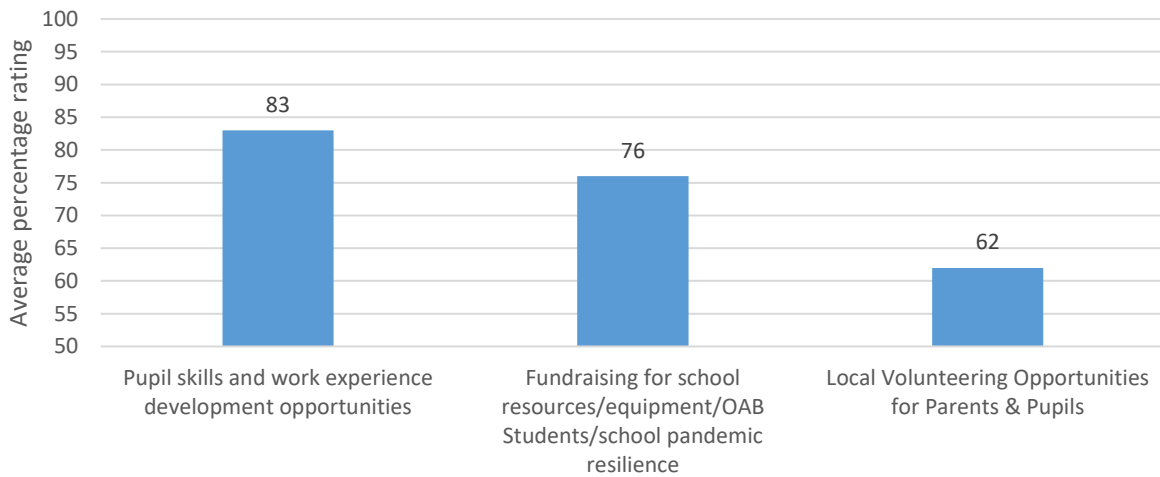

Here is a summary of the results:

- Nearly a third of the student population responded
- Higher levels of engagement (73%) in Years 7-9
- 69 parents indicated that they are willing to be involved in some way
