

24th February 2023

Dear Parent/Carer,

Cancellation of the 96 Bus service

We have recently received notification that the 96 Bus service will be cut from the 1st April 2023. This means that there will be no direct service for those students travelling to school from the Hartcliffe, Knowle and surrounding areas.

Whilst we have no influence on which services WECA and the local authority choose to run we have voiced our concerns over this and have asked for the service to be reinstated, so far with no success.

We will keep you updated in terms of any developments that may occur between now and the 1st April but we needed to communicate to all our families that we have exhausted all routes of complaint and requests for support, and as you are aware we have had no control over the decision that has been made.

Yours faithfully
