Dear Parent/Carer,

Urgent: Health & Safety Message

In the interests of health and safety can you please ensure that your child/children do not bring glass bottles into school.

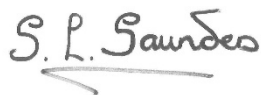

We are aware that a number of students have been purchasing calypso type drinks which come in glass bottles from local stores and these are not to be brought into school.

As from Monday 21st November if we find students with glass bottles in their possession these will immediately be confiscated and disposed of.

We thank you for your continued co-operation in this respect.

Yours faithfully

A handwritten signature in black ink that reads "S. L. Saunders".
