Dear Parents and Carers,

At the end of my first week as the interim Executive Principal at Oasis Academy Brislington I wanted to write to you all to introduce myself formally.

Originally from this area, I moved to Hampshire many years ago and became a Headteacher and Principal in several schools. Currently, I am also Principal of Oasis Academy Lord's Hill in Southampton, whilst still having strong family links in north Somerset and south Bristol.

My wife, whom I met locally, and I have two wonderfully complex children, with our youngest completing exams in year 11 at this time. Like you we are doing all we can to support him at this challenging time. Indeed, the experience of my children going through their school days gives me the passion to do everything possible, in my roles as a school leader, to make your child's time with us safe, enjoyable and stimulating.

I have been impressed by the levels of engagement and commitment demonstrated each day by students across the academy; supported and challenged by a brilliant group of adults who want the very best for your child.

Over the rest of this term and into the next, I will be on site at Oasis Academy Brislington at least two days per week and will be working closely with leaders to ensure the best possible experience for your child. I look forward to meeting, formally and informally, with as many students as I can and with members of our community.

In the meantime, thank you again for your continued support as we strive to deliver exceptional education at the heart of our community.

If you would like to contact me, please do so via Sue Brain, PA to the Academy Leadership Team, at the academy.

Kind Regards

*B Bond*
