

10th October 2022

Dear Parent/Carer,

I am writing to update you on the leadership of Oasis Academy Brislington. Phil Humphreys, Regional Director for OCL left the Trust in April 2022 and following a competitive interview process Peter Knight has accepted our offer to take on this role.

This means that Peter will be leaving his current role as Principal to take up the position of Oasis Regional Director for the South West on the 31st October 2022. He will remain working with the leadership team whilst Dr Goldberg and Mrs Robinson will act as the Heads of School until a new Principal is in post.

Over the coming months we will be working hard to find the next inspirational leader of the Academy. This will be a very robust and thorough process to ensure we appoint the right candidate; we will keep you informed throughout this process and will let you know once we find the right person.

Peter has been with Oasis since 2012 and Principal at Oasis Academy Brislington since 2015. During this time he has been instrumental in taking the Academy from 'requires improvement to good' and students continue to make improved progress year on year. His dedication and hard work is reflected in the number of parent/carers who now wish to send their child/children to the Academy and he leaves it in a much stronger position than when he first took up his role.

During the interview process the panel were impressed with Peter's uncompromising dedication to ensuring that every child receives the very best opportunities whatever their starting point, and his ideas for how we take our provision forward in the region.

Thanks to the hard work and dedication of our academies' staff teams our schools in Bristol are in a strong position moving forward, keeping a keen focus on how we ensure that every student can make excellent academic progress and fulfil their full potential.

Thank you for your ongoing support.

Yours faithfully
