

26th September 2022

Dear Parent/Carer,

Re: 96 Bus Service

Following on from Mr Knight's letter of the 7th September 2022 we have just received confirmation from Abus that they will be running this service from the 10th October 2022.

Please find attached to this letter a copy of their planned operating schedule which should enable students to get to and from school safely.

Please note however that Abus will not be able to accept First M or any other types of ticketing as these will not be available on this service. Equally, and until ABus are in receipt of ticket machines (delivery currently delayed) there may be no facility for them to accept card payments. We would therefore recommend that students pay for fares with cash until the service becomes properly established.

We are sure for those of you whose children use this service this will come as a relief and although we are not affiliated to Abus we are grateful for their support with this.

Kind Regards
