Dear Parent/Carer,

Important Information

As previously advised we do have a number of students in school who have severe nut allergies. These allergies could prove to be life threatening if any of these students were to come into contact with such allergens.

Please may we remind you that the academy is a 'nut free' zone and we ask that students do not bring any nut related products into school. This includes items in packed lunches and breaktime snacks. Peanut butter, Nutella sandwiches, Muesli bars and seed mix bars are all examples of foods that often contain nuts.

Thank you for your support in this matter.

Yours faithfully
