This will be a fantastic trip. It is an adventure holiday and, as there will be **physical demands on each student**, students **need to be fit**, (regular fitness sessions and meetings will take place). **Behavior is of the highest expectations.** Poor behavior at school, leading to this trip, could jeopardise the place. Students must be ready to experience a winter environment and the wonders and demands it offers. If the trip is oversubscribed names will be drawn out of a hat.

We anticipate that demand for the trip will be high. As a result, parents/carers will need to complete an expression of interest by following the link below:
