

4th June 2020

Dear Parent/Carer,

Re: Induction Day for new Year 7 students

I hope this letter finds you well and staying safe in such unusual circumstances.

I am writing to you as you are probably wondering what the next stage will be in terms of our induction process for students who are due to join us in September. By now you will have received your letter confirming your child's place at Oasis Academy Brislington and you should have accepted/confirmed this place.

Our induction day usually takes place at the beginning of July where students are given the opportunity to come into school, meet new friends and get a general taster of what life at secondary school is like. Students are also assessed via NGRT (New Group Reading Test) for reading and comprehension skills which helps us to place them in appropriate groups for the September start.

At this stage and given the COVID_19 situation we are exploring ways of providing a Virtual Transition Day for all Year 6 students. We will use the information provided by your child's primary school on their ability in English to create our Tutor Groups for September 2020. Even with these processes in place we know that we will need to support students with a thorough induction process if and when they are able to come onto the academy site in September 2020.

I am sorry at this time not to be able to provide more detail but we will keep you informed as the situation becomes clearer.

Thank you for your support and understanding.

Kind Regards

A handwritten signature in blue ink that reads "P. Knight".
